**INTELLIGENT VIDEO SOLUTIONS WINS TWO DAVEY AWARDS,
HONORING THEIR ONLINE VIDEO ACHIEVEMENTS**

***The Davey Awards Recognize Smaller Organizations For Their
Marketing & Advertising Achievements***

RYE, NY. – (November 30, 2010) – Intelligent Video Solutions, a video production and video marketing company, today announced it has won two Silver Davey Awards, which recognize achievement and excellence in marketing and advertising through. The 6th Annual International Davey Awards competition honors smaller firms for their creative and well-executed ideas.

The two Silver Davey awards were given to IVS for:

- Loeb & Loeb Energy Group Video; Infomercial Category for a Service
- Vita Coco Commercial; Video on a Budget

“We are delighted to have our client Loeb & Loeb be in the same group as Microsoft, Pfizer, Jet Blue and Coca Cola to name a few of the 2010 winners. We are hopeful that professional services firms will recognize these awards as reflective of our work product and high-quality marketing services.”

The over 4,000 entries submitted from across the world were judged by the International Academy of Visual Arts. The IAVA consists of top professionals in the media and marketing industry, including executives from Michael Kors, Disney, HBO, Microsoft, MTV, HowCast, Monster.com and many others. The judges awarded a Best in Show, Gold and Silver award for each category.
